CNN-IBN-CSDS SOUTHERN STATES SURVEY-2006

(For South Indian Respondents only)

I have come from (give your University's reference). We are studying the opinion of people on some issues that are generally talked about. In this process we are interviewing thousands of people in different parts of the country. The findings of the interviews will be used for Television programmes and for writing articles in newspapers. The name of respondents interviewed in this survey will be kept strictly confidential. The survey is an independent study and is not linked with any political party or government agency. Kindly spare some time for this interview and answer my questions. I need your active cooperation for making this study successful.
