INVESTIGATOR’S INTRODUCTION AND STATEMENT OF INFORMED CONSENT

My name is __________________ and I have come from the Centre for the Study of Developing Societies (also give your university’s reference), a social science research organization in Delhi. We are conducting a survey on the soon to be held Assembly election in Meghalaya and interviewing hundreds of people across the State to gauge their attitudes and opinions on political issues. This survey is an independent study and is not linked to any political party or government agency. Whatever information you provide will be kept strictly confidential. Participation in this survey is voluntary and it is entirely up to you to answer or not answer any question that I ask. We hope that you will take part in this survey since your participation is important. It usually takes 35 to 40 minutes to complete this interview. Please spare some time for the interview and help me in successfully completing the survey.
